

The Stewards of Children® (SOC) Training

The Stewards of Children® training is known as the number one prevention curriculum in the nation and has been proven to increase knowledge, improve attitudes and change child-protective behaviors. This revolutionary program is for all responsible adults who care about the welfare of children. It is appropriate for youth-serving organizations, sports groups, day care centers, after school programs, children's clubs, schools, church groups and anywhere children are present and cared for.

Who uses the program?

Stewards of Children® training is for responsible adults who care about the protection of children such as parents, grandparents, caregivers, teachers, and all adults who work in youth-serving organizations.

What Topics Are Covered in Stewards of Children®?

- Facts about the problem of child sexual abuse
- The types of situations in which child sexual abuse might occur
- Simple, effective strategies for protecting children from sexual abuse
- The importance of talking about the prevention of sexual abuse with children and other adults
- The signs of sexual abuse so you might intervene and be able to react responsibly

What are the Core Features of the Stewards of Children® Training?

- A video integrating segments of sexual abuse survivors relating their stories of violation and healing, with segments from the author of the curriculum and from professionals who interface daily with the problems of sexual abuse.
- An interactive workbook for each participant
- Discussion about critical issues and sexual abuse prevention and the relevance of these issues within organizations that serve children and adolescents, led by an authorized facilitator

What Outcomes Can I Expect?

- Increased awareness of the prevalence, consequences and circumstances of child sexual abuse
- New skills to prevent, recognize and react responsibly to child sexual abuse
- Proactive, positive input to change organizations policies and procedures
- Individual commitment to action via a personal prevention plan
